

NSA APPROVED BAT COMPANIES

09.01.2026

All bat companies listed below are approved for the 2026 season.

NSA Approved Bats:

1. The bat **MUST** be from a company on the Approved Bat Company List – **AND** – have the proper logo.
2. Only bats from these companies with the **NSA2012 Logo (Manufacturer's Imprinted Stamp)** on them will be allowed. (Outline of United States & NSA2012 – shown below)

If the NSA2012 logo is not visible, then the bat is not legal for any NSA play.

Please see the Non-Approved Bat List located on PlayNSA.com under the INFO tab / Equipment link for additional bats that are not legal for play with NSA.

Senior Bats do not have to bear the NSA2012 logo imprint however, no Senior Bat will be approved for play unless the Senior Bat is manufactured from one of the bat companies listed as an approved NSA Bat Company.
